Vocal Jazz is a for-credit class that meets 0 period every school day (7:50-8:40 am). Vocalists are required to enroll in a concert ensemble class (choir, band, or orchestra) in addition to the Vocal Jazz class. For most students, this will mean enrolling in Concert Choir to develop vocal technique and music literacy. Students in Vocal Jazz will focus on style, jazz repertoire, improvisation skills, and singing tight harmonies as well as developing solos and a personal style. This ensemble also has a rhythm section.

Vocal Jazz students participate in the annual overnight all-jazz retreat, as well as festivals, concerts and competitions. VJ travels annually and past trips have included New Orleans, San Diego, Orlando and more.
